

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

The earthquake shock the morning of May 22 was distinctly felt in Morrisville.

Clayton Swiggett is on his way to Vermont from San Juan, Porto Rico, to enlist in the First Vermont Infantry.

Enosburg Falls is to have no Memorial day exercises this year, although the graves of soldiers will be decorated as usual.

Eleven young women took the civil service examination in Rutland Thursday for junior typewriter in the government service.

Burlington and Winooski are furnishing the smallest number of recruits in proportion to their population of any towns in the state.

Miss Grace Fowler of Sheldon picked from one bunch of clover, about six inches in diameter, 37 five-leaf and 43 four-leaf clovers.

Sergeant Fountain Howard, 10th cavalry, retired, died recently at his home in Winooski after a three months' illness following a shock.

In coming down a flight of stairs at his home in Newport Thursday night, Cyrus Rhodes made a misstep and fell to the bottom, breaking his hip badly.

Mrs. Susan Blake of East Barre, who is 84 years old, has knitted a pair of stockings in less than two weeks, besides doing the family mending.

Paul and Peter Keegan have been taken from Georgia to the state prison, having been convicted of breaking into a schoolhouse in that place and stealing several articles belonging to the pupils.

Arthur Salmon gathered his sap buckets in Glover May 19 and might have sagged a week longer, as the sap has been running well and the buds had not started on the maple trees enough to be noticeable until the last of the week.

C. E. Greene, street superintendent in West Derby, following out the recommendation of the state road commissioner that highway work cease for a time, between May 1 and May 21 ploughed 60 gardens in that village besides keeping a single team busy cleaning up.

Charles Bailey, who has been out on parole from the state prison at Windsor, and Harold Reynolds, paroled from the house of correction, have been returned to their respective places of detention, having broken the terms of parole. Each had been sentenced in Addison county court for larceny.

A big trout at the creamery bridge in Lyndonville that for years has resisted all attempts to land him, was caught this week by Francis Cusson, a nine-year-old boy. Fearing the pole would break, young Cusson drew in the line by hand. The trout measured 18 1/2 inches and weighed two pounds and five ounces.

May 24 was a gala day in St. Albans. Many young men of Canadian birth are working in the railroad offices of that city and for that reason the queen's birthday was observed by a display of the English national colors, even private homes flying them beside the stars and stripes. There were also 700 Canadian excursionists in the city that day.

Joseph Pierce, son of Mr. and Mrs. J. W. Pierce of Bennington, may lose all the fingers on his right hand as a result of an accident which occurred recently. Young Pierce's hand became caught in an automatic lawn mower sharpener and was so badly mangled that the little finger was amputated at once and the rest are in such bad shape there is little hope of saving them.

The Champlain Telephone company, with headquarters at Brandon, the Passumpsic Telephone company, headquarters at Newport, and the Vermont Telephone company, headquarters at Montpelier, are to be consolidated with the New England Telephone & Telegraph Co. on June 1 and the offices are to be moved to the general office in Rutland. The Champlain company has six exchanges, the Passumpsic 19 and the Vermont company three, the three concerns serving about 13,000 patrons.

Winooski is having some trouble with soldiers trying to force their attentions on young girls on the street. Wednesday night one of a group of the soldiers stationed on a street corner asked permission of a passing girl to see her home and when she refused he struck her across the nose, causing that member to be badly swollen and also giving her a black eye. She could not give a sufficient description for his apprehension. Theodore Shipley, the recruit from the fort who was arrested May 13 for flirting, was in court again May 24 on the same charge. He was then sentenced to jail for a length of time covering both offenses, 132 days, and on being removed there, expressed his willingness to stay, as he said he was being worked too hard at the fort.

Yes, I candidly admit this is not a dry town, but—

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing kidney ills? Barre people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit?

Mrs. William Rock, 17 Farewell street, Barre, says: "I can recommend Doan's Kidney Pills as I have found them an excellent remedy. I used them off and on, when I was troubled by dull pains in the small of my back. I had frequent dizzy spells, when everything turned black in front of me, and I felt faint and weak. Two boxes of Doan's Kidney Pills, which I got at the Red Cross Pharmacy, brought satisfactory relief."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rock had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

SWEDISH RELIEF SHIP SUNK.

Destroyed by Germans Despite Permit for Voyage.

London, May 26.—A cable from Christiania reports that a Swedish relief commission was sunk on May 18. Disaster overtook the ship in spite of the fact that she carried among her papers a permit from German authorities to make the voyage.

The report was brought by an officer of the Norwegian ship Vibran, which has reached Haugesund, Norway.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts through the blood on the mucous surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that fails to cure. Send for list of testimonials. Address P. J.
